

Understanding Salah

When we recite our salah with a pure heart and humility it teaches us to be humble.

Activity

Random acts of kindness. These are acts where you do something kind for someone without any reason or recognition.

1. As a class you can decide to pick 3 people that you feel do so much but never get noticed or acknowledged for all that they do.
2. These may include the principal, the janitor, the librarian, the person who serves the water/tea and so on
3. Each student can bring 3 pieces of chocolate or candy. You can combine all the contributions and put them in a nice bag, decorate it and make a Thank you card.
4. Without making a big deal out of it, deliver the gifts to the 3 people that you picked.
