Understanding Salah
Box writing activity

Note to teacher, ask children to bring boxes, print pages below, and let them write and then cut out the shapes and glue them onto the box – you may stick one each on the sides of the box and two together on the front and back of the box.

Picture below to get idea how to glue the writings around. You may also make your own sizes depending on the box. The below picture is of a cereal box.

MY SALAH

**MY SALAH my Meraj
toward my LORD**

In the shape, write what Salah represents and what opportunity do you get through Salah?

In the Shape, write how your Salah is a Mi'raj toward your Lord

Tashahud

Salam at the end of Salah

What do you testify in Tashahud? What does it mean to be Allah's true servants? When we bear witness that Prophet Muhammad (s) is Allah's messenger, what do we mean by that?

Imam Ja'far as-Sadiq (a) says: "Be a beauty for us, not shame". What does this mean?

What is Salam? At the end of Salah, with whom are you trying to reconnect?

When we send Salams on Rasulallah (s) at the end of our salah what are we reconfirming? What does Salam in our relationship with Allah mean?
