

Greatness of Allah (swt)

But man will never be able to create the beauty of colour in these
leaves

SUBHANALLAH

Man may have created this road path

An aerial photograph of a vast lavender field. The rows of purple flowers are perfectly straight and recede into the distance, creating a strong sense of perspective. In the center-left of the frame, a single, lush green tree stands out as the only non-purple element. The lighting is bright, casting soft shadows between the rows.

But who was it that put colour in these fields ,who was it that
made these fields to grow??

SUBHANALLAH

Man may have designed the lay out of these fields

Allah s.w.t doesn't need the seasons, snow or even colour to
change the colour of nature

SUBHANALLAH

A bright sun in a clear blue sky above a large, jagged iceberg floating in the ocean. The sun is in the upper left corner, casting a lens flare. The iceberg is in the lower right, with a smaller piece of ice in the foreground. The water is a deep blue.

Allah s.w.t doesn't need the water to make ice ..or don't need the sun to melt the ice

SUBHANALLAH

All of these flowers were developed from seeds, they all were initially the same seed, but then why the different colours? Where did the colour come from??

SUBHANALLAH

A vibrant field of multi-colored flowers in rolling hills under a blue sky with a forest in the background. The flowers are in various colors including white, pink, yellow, green, and purple. The background features a dense forest of tall green trees under a clear blue sky.

Place this same water in a glass bottle and see the colour of it?
you cant comprehend the greatness of Allah s.w.t

SUBHANALLAH

You saw the water in the previous picture now how did this
lake of water become a mirror??

SUBHANALLAH

This is not man made..

SUBHANALLAH

SUBHANALLAH

Who went in the heart of
the desert to design this ??

Constantly look around you and see who
your Allah is ...when you find Allah you
have found everything.....

By reciting
"subhanAllah"
you have already
praised Allah
s.w.t 10 times

SUBHANALLAH
