

Lesson 2- Allah Created Us

Writing a Newspaper Article

Imagine if you were present when Nabi Adam was first created on the earth. In addition, you were able to witness the three stages that Nabi Adam had gone through. One day while you are taking notes on observations about your findings you are approached by the president of Al-Bayan newspaper. The president asks you to write an article about what you had witnessed when Nabi Adam was first created on the earth.

Based on what you learned in the lesson write an article about the key events that took when Nabi Adam was created. Use the following chart below to help you plan out the information for your newspaper article.

Letter in Response to Your Newspaper Article

After you have written the letter, you receive this letter from one of the readers of your article:

Dear Writer,

I just finished reading the article that you have written. Based on the information in the article I was wondering if you could provide me with some information about the family of Nabi Adam (wife and children). In addition, I was wondering if you could provide me with some information involving whether the nur of the panjatan was created before or after Nabi Adam.

With Duas

Sana

Based on what you learned in the lesson how would you reply the letter that has been written to you by Sana?

You may choose to include illustrations with the reply letter you write to Sana.
