YAQIN AND ITMI'NAN

YAKIN	AND ITMI'NAN.	DEFINITION AN	ND SIGNS
LEVELS OF YAKIN			
YAKIN AND ITMI'NANDEFINITION AND SIGNS LEVELS OF YAKIN			

Cut out the rectangle shapes. Stack them and glue them together with the biggest shape at the bottom, Glue the bottom onto a construction paper/or hard/stock paper your finished book should look like below and beside.

Yakin

The first shape is just the main heading, for the rest you need to write points under the flap about the concepts.

For signs-, a person with yakin has certainty of what things? What does he have yakin- in? (6 of them)

For level of yakin(write the types of yakin)

And yakin brings about... what is the result of having yakin (there are around 7, explain briefly in your own words.
