

M1-F3- why some people refuse to believe in Allah

## Understanding why some people refuse to believe in Allah. Find the answers for the following.

One of the reason is lack of \_\_\_\_\_

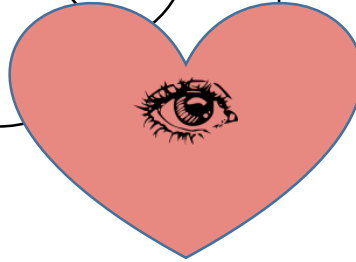

Surah Yusuf 12:105

How many a \_\_\_\_\_ there is in the heavens and the \_\_\_\_\_ that they pass by while they are turn \_\_\_\_\_ from them!

From Imam Ja'far Sadiq explanations, we understand that Allah is not seen with our eyes or perceived with our \_\_\_\_\_. Seeing Him is seeing with the eyes of the H\_\_\_\_\_.

Just like, we cannot see G \_\_\_\_\_ and F \_\_\_\_\_ but we know from their \_\_\_\_\_ and \_\_\_\_\_ that they exist. Similarly, when we look at the \_\_\_\_\_ of the Universe, we believe that there is a wise \_\_\_\_\_.

Some people refuse to believe in Allah because they are too \_\_\_\_\_ and have too much \_\_\_\_\_

\_\_\_\_\_ is one of the person who refused to believe in \_\_\_\_\_. This person thought himself \_\_\_\_\_ and had an \_\_\_\_\_ attitude. He's describe in Surat an Naziat 79:15-25. Look up the verse.

The other reason is the problem of \_\_\_\_\_

For the disbeliever, the existence of \_\_\_\_\_ whether it be natural (example \_\_\_\_\_ and \_\_\_\_\_) or human (example \_\_\_\_\_ and \_\_\_\_\_) is inconsistent with the existence of \_\_\_\_\_

While the purpose of life is not \_\_\_\_\_ but for us to get to know \_\_\_\_\_ and get closer to \_\_\_\_\_

These people think the goal of life is \_\_\_\_\_

The only way we can get closer to \_\_\_\_\_ is through \_\_\_\_\_ and \_\_\_\_\_

Surat al-Baqarah 2:155-156  
And We will surely \_\_\_\_\_ you with a measure of fear and \_\_\_\_\_ and a loss of \_\_\_\_\_, \_\_\_\_\_, and fruits; and give good news to the \_\_\_\_\_, those who, when a misfortune befalls them, say: 'Indeed we \_\_\_\_\_ to Allah and to Him do we surely \_\_\_\_\_.'

Test

\_\_\_\_\_ and \_\_\_\_\_ can make us stronger and bring us closer to \_\_\_\_\_ depending on how we \_\_\_\_\_ to those trials.  
Responding with P \_\_\_\_\_ and trust, knowing they are from \_\_\_\_\_. Choosing to do \_\_\_\_\_ and rejecting \_\_\_\_\_ allows us to achieve our potential as the greatest of Allah's \_\_\_\_\_

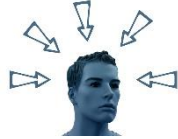

Surat al-Mulk 67:2  
He, who created death and \_\_\_\_\_ that He may \_\_\_\_\_ you [to see] which of you is best in \_\_\_\_\_. And He is the All-Mighty, the All-\_\_\_\_\_.

Some people don't believe in Allah because of the \_\_\_\_\_ of the \_\_\_\_\_ in which they live.

A person may grow up with \_\_\_\_\_ who did not believe in Allah. He just follows them.

Or because of the influence of the \_\_\_\_\_ system and \_\_\_\_\_ make being an atheist the natural and \_\_\_\_\_ thing to do

Some people choose not to believe in Allah because they are too \_\_\_\_\_ to the \_\_\_\_\_ world. They want to live a \_\_\_\_\_ life. So they can do certain things without feeling \_\_\_\_\_

These people are caught up in \_\_\_\_\_ pleasures not realizing it is temporary and what really matters (is permanent) is the \_\_\_\_\_.

Allah has created us and knows what is \_\_\_\_\_ for us and what is \_\_\_\_\_ for us. He has made the good for our well-being as \_\_\_\_\_ and those that are very bad for us as \_\_\_\_\_

Surat al-jathiyah 45:23  
Have you seen him who has taken his \_\_\_\_\_ to be his \_\_\_\_\_?

Surat ar-Rum 30:7  
They know just an \_\_\_\_\_ aspect of the life of this world, but they are \_\_\_\_\_ of the \_\_\_\_\_..
