

# All Muslims believe in Tawhid

---

## Field Trip

1. Find out if there is a Sunni madrasah or masjid around your area
2. Arrange a field trip with them. If the weather is good you can arrange the field trip at a park. If not, then you can invite them to your mosque (madrasah)
3. At the park you can play different kinds of sports
4. At your mosque, you can bring board games or use the gym if you have the facility
5. Enjoy snacks or a meal together
6. If it happens to be salah time, you can pray salah together

At the end of your field trip, you will realize that we have more in common with the Ahl as-Sunna than we have differences.
