

M1-E8- Salah
is the best of
deeds

My Salah Box - craft

Take a small compass box or a small gift box, add small sheets of paper and pencil, on some papers write hadith of the Ma'sumeen regarding Salah. or write small duas or verses that you really like and would like to recite and think about. These will help you develop connection with Allah. Below is a example (picture) and a sample paper for you to cut and make more of these to add to your box.
