

Lesson 7- Being Attentive in Salah 2

Salah Teacher Training Institute

You have just been hired at Al-Noor Islamic Academy to be a salah teacher at the school. In order for the interviewer to assess if you have the expertise to be a skilled salah teacher, they have created a series of evaluations for you to complete. The evaluations they created are designed to evaluate if you have the skills required to be a successful salah teacher.

Good Luck on Your Evaluations!

Evaluation 1- Correctly Evaluate a Salah Written Assessment Completed by a Student:

Place a checkmark if the question is answered correctly and an "x" if the question is answered incorrectly. Give the student a mark out of 8.

You may also want to include a grade and comment for Sakina based on her performance on the test.

Name: Sakina

Underline either true or false based on the statements that are given below:
