

Lesson 9- Salat al-Jama'ah

Al-Nur Art Gallery Special Exhibit

You have been asked to create a special exhibit for Al-Nur Art Gallery. This gallery is different from other art galleries as it uses the art of words to communicate information to the viewers instead of pictures.

Your Task: Assist in the creation of the art exhibit by answering the questions that are posed in the frame above it.

SALAH AL-JAMA'AH ART EXHIBIT

What are the positive spiritual effects associated with praying salat al-jama'ah?

What are the positive social effects associated with praying salat al-jama'ah?

What are the positive political effects associated with praying salat al-jama'ah?

What are the positive moral effects associated with praying salat al-jama'ah?

What are the positive educational effects associated with praying salat al-jama'ah?

What is one example of the reward that is received when a salah is offered following an imam, compared to the salah done individually?

Designing a Website

You have just been hired as a web page developer. Your task involves creating a website to inform people about the rules associated with praying salat al-jama'ah. In your website, you will also need to discuss the conditions for the imam of salat al-jama'ah.

Link to your website: www._____

Website Logo:

Title of your Website_____

Title of an Article on your Website_____
