

## *Stretch your thinking*

In which three principles are all the Muslims united?

Why is it important for us to hang on to the three principles that unite us during these times?

In what matters are there some fundamental differences between the school of Ahlulbayt and other Muslims? Name the areas.

How would you explain to someone that verses that talk about “hand of Allah” do not mean hand of Allah physically, in literal sense?

What is Anthropomorphism?

Surat al-Qiyamah 75:22-23 –“Some faces will be fresh on that day, looking (nadhira) at their Lord”. One of your friend from the other school of thought comes to you with this verse and tells you “we’ll be able to see Allah in the hereafter, How will you explain to him that that’s not possible?

What is madhhab?

To his companion, Tha’lab al-Yamani, Imam Ali (a) said, “How can I worship something that I do not see?” what did Imam mean by these words?

Imam Ja’far as-Sadiq (a) was once asked, “Will Allah be seen on the Day of Resurrection.” What did the Imam reply?

What does the Ahlulbayt school of thought say about Allah’s attributes? Whether they are eternal or not, explain?

If someone came to you and asked, “Is Quran eternal or created,” what does the Shia school of thought believe about this? How will you explain?

Write the surah name, verse number and the verse translation, which tells us that the Ahlulbayt are Ma’sum
