

O my son! Even if it be the weight of a mustard seed, and [even though] it be in a rock, or in the heavens, or in the earth, Allah will bring it out. Indeed Allah is All-Attentive, All-Aware. (Surah Luqman, 31:16)

**Note to teacher** – children will fold –write their thoughts inside the fold and on the outside will glue these individual pieces (beside) onto the top of the fold (outside)they can glue the triangle part (back part) in their notebooks)

What is Hz.Luqman trying to tell his son in this verse?

Allah uses two of His names at the end of this verse. Why do you think He is using these two particular names here? Write them in Arabic!

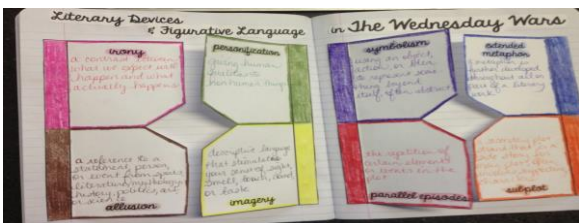

Why is the mustard seed being used as an example in this verse?

**What is lutf of Allah?**

**Explain how divine guidance  
comes from the  
Lutf of Allah?**

**Explain the difference  
between Adalah  
And Equality?  
Give example.**

**What if Allah created us, left us  
Without instructions, and then  
What if He judged us on the  
Day of Judgment?  
Would that be fair?  
Explain?**

***Note to teacher – The students have to cut shapes (cut the lines(triangles at the edges too). Glue under (long rectangle on the sides) onto their notebooks, they are to write answers in their notebooks. They may colour/decorate. Beside is a picture of how it may look like***
