

Khatamun Nabiyyin

Duties of the Nabi – Research Project

The Ambiya were sent to us guides and teachers. Some of the duties of the Ambiya are listed below.

Pick one Nabi from the following three and do some research outlining instances when the Nabi performed his duties:

Remember to note your references

Nabi Ibrahim, Nabi Musa and Nabi Yusuf

Some of the duties of Ambiya:

1. To give people good news of *jannah* and to warn them about *jahannam*, and to call people to Allah
2. To judge between people when they disagree, and to make peace between them
3. To purify the souls of people and give them wisdom
4. To explain the laws of Allah (the *shari'ah*) so people do not go astray
5. To establish justice in society by putting the laws into practice
6. To teach and guide people so that they come out of darkness (falsehood) into light (truth)
7. After telling people what Allah has revealed, to explain and clarify the *ayat* that have been revealed so that people can think about them and understand them better and guide people so that they come out of darkness (falsehood) into light (truth)
