

# The Spread of Islam

---

Organise an event with one or more communities of other religions in your area. You can limit it to your grade or extend it to other grades.

## **Ideas of what you can do:**

1. Meet at a park for a picnic
2. Invite them to your Madrasah for breakfast where you can serve them
3. Organise a friendly sports tournament
4. Get together to play board games
5. Go hiking

## **Points to remember:**

1. Make an effort to socialise with others, not just your own friends
2. Be polite
3. Be friendly
4. Be helpful

**Our actions and behaviours go a long way!**
