

SIFAT AS SALBIYYAH  
(Attributes that Allah is NOT and NEVER will be)

Attribute # 1 Allah is not visible.

Imam Ali (as) was asked by one of his companion, “Have you seen your Lord?” The imam replied, “I would not worship a Lord whom I have not seen.” He was then asked, “How do you see him?” The Imam replied, “The eyes cannot see Him, rather it is the heart that perceives Him”.

Question: Give an example of “The heart that perceives him”
