

## DIFFERENCE IN ATTRIBUTES BETWEEN ALLAH AND HIS CREATION

The qualities and names of Allah are an infra-structure for human akhlaq. In Islam, human beings are representatives of Allah.

The Prophet (pbuh) has said, “Adopt the akhlaq of Allah”

### EXAMPLE:

**Ar-Raheem** – When a person needs kindness and forgiveness for wellbeing in their life as well as in society.

**As-Salaam** – When human beings in social life need peace and good health in his/her life.

### Activity:

Pick 5 names of Allah with the meaning that you want to adopt. Write the benefits of reciting those names.

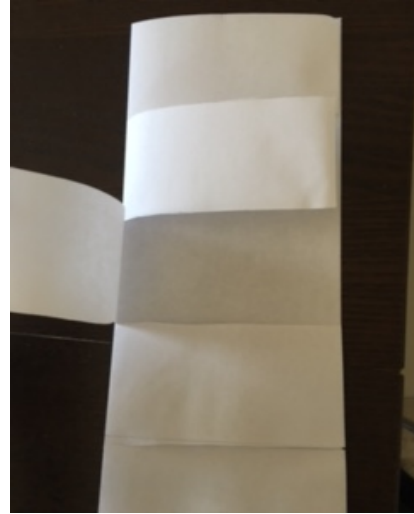

Example below:

1

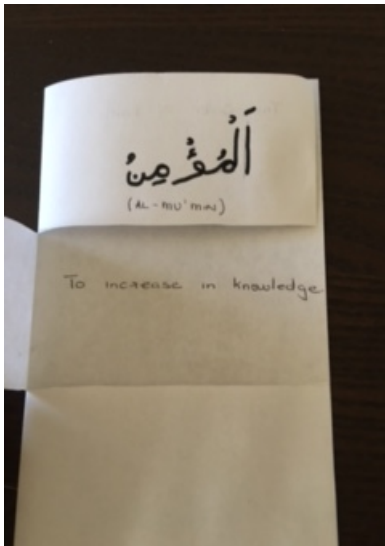

Fold a plain piece of paper in half

2

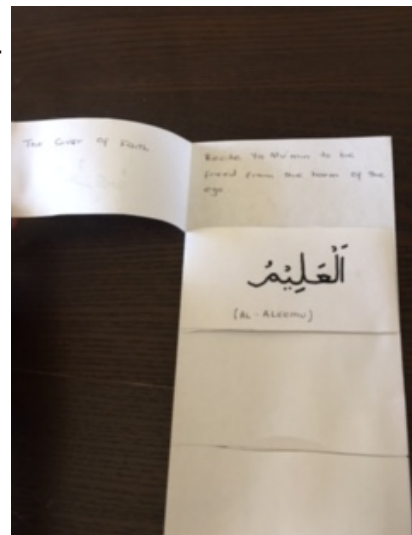

Divide the front in 5 sections and cut the top flap only.

3

Write the 5 names of Allah that you have chosen on the flap.

4

Open the flap and write benefit of reciting.
