

Lesson 3- Being Content with Allah's Blessings

Be a Gardener

You have been hired to be a gardener. Your job as a gardener involves drawing in the space below trees and flowers that have symbolic meaning. In addition, draw at least 3 trees and next to each tree include a label. In the label write an action that we can do to show we are thankful for the blessings that Allah has given us. This blessing may also help us to overcome the greed we may have. In addition, draw at least 3 flowers in the space below. Label each flower with a blessing that you are grateful for that Allah has given you. The first tree and flower have been outlined for you.
