

I Remember

Listen carefully as the teacher reads the directions to the class.

Directions: If you reflect on something, you think about it or you imagine it happening again. For example, if you had a wonderful birthday party, a few days later you might reflect on all the fun things you did at the party.

Use the space below to reflect on today's lesson. Write about three things that you most remember.

1. _____

2. _____

3. _____
