REFLECTION TIME!

REFLECT ON THIS AYAH (SPENDING IN THE WAY OF ALLAH SWT)

The ayah (2:261) for this lesson describes those people who spend their wealth for Allah by giving the example of a single grain of corn, growing seven ears, each ear having a hundred grains.

This explains so beautifully how a small amount spent in the way of Allah can multiply as Allah is so generous.

**TAKE OUT SADAKA AND THINK HOW GIVING LITTLE AMOUNT
AS 1P , REMIND ONESELF DOING ONE GOOD DEED ALLAH
(SWT) MULTIPLIES THE REWARD.**
